

Five Spot

# Fifer Fiction

\_\_\_\_\_ and Fifer decided to invent a new kind of \_\_\_\_\_. They spent  
(your name) (vegetable name)

several weeks in a laboratory working on a formula that consisted of \_\_\_\_\_  
(plural noun)

and \_\_\_\_\_. The first batch had an interesting \_\_\_\_\_ color and a scent  
(plural noun) (color name)

that smelled like \_\_\_\_\_. Because of its interesting look and smell they  
(noun)

decided to call it \_\_\_\_\_ stalks. This new vegetable tasted so \_\_\_\_\_  
(friend's name) (adjective)

and grew so \_\_\_\_\_ they moved production to \_\_\_\_\_. This unique  
(adverb) (planet name)

vegetable, which was the size of a \_\_\_\_\_ became wildly popular on the  
(type of dog)

planet. It was such a hit that the people of the planet created a holiday called  
\_\_\_\_\_ day that they celebrate every \_\_\_\_\_ by playing a tiny  
(your name) (date)

\_\_\_\_\_ and lifting \_\_\_\_\_ over their heads.  
(musical instrument) (plural farm animal)
